

VISUALAB

COMPANY FACT SHEET

What is Visualab?

Founded in 2012, Visualab is a Los Angeles based agency built around the **collective leadership of talented creative, digital and strategic solutioners.**

We combine our expertise to provide comprehensive solutions for businesses of all sizes looking to gain a competitive advantage in today's market.

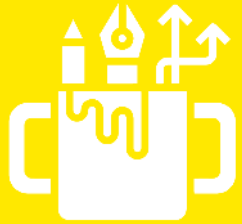

CREATIVE MARKETING IS OUR SCIENCE

What's The
Science
Behind It?

Viral campaigns don't just happen by luck. Our process combines acquired creative intuition, advanced digital and data-predictive tools to deliver meaningful, measurable results.

We provide a full range of **creative**, **digital** and **marketing** services for businesses of all types.
